PROJECTS

Autozone Shop company offers reliable, high-quality batteries in a wide range, varied in shape and characteristics, as well as high-quality oils and auto chemicals of famous brands. The Autozone Shop chain of stores has been selling car batteries, oils, consumables for more than 5 years materials, chemicals and accessories. ([Try it here](#))

We built this platform using React.js

Autozone Shop is a modern online store platform developed with React.js, Tanstack Query, Ant Design, and Redux. It delivers a seamless shopping experience with responsive design, intuitive product catalog, and secure checkout.

Autozone Shop dashboard The Admin Panel for Autozone Shop, built with React.js, Ant Design, Tanstack Query, and Crema, offers comprehensive control over inventory, financial analysis, and user management. This powerful system streamlines store management, providing real-time insights and efficient operations.
